Wednesday, October 29, 2025

6:00 PM to 8:00 PM

Description

On Wednesday, October 29th, NIOGA presents “**Trustee Training: Public Library Budgets, Construction, and the ADA**” from 6-8PM, led by NIOGA’s attorney, Stephanie Adams, and her team at the LOSA. As library infrastructure is renovated, it is important to consider requirements in the Americans with Disabilities Act. This session will review important considerations for budgeting, planning and constructing library renovations and new construction compliant with upcoming changes to ADA applications. We will also review simple techniques for promoting a culture of accessibility at your library. Attendees will receive a learning checklist of the sessions key take-aways, and a certificate of attendance.

Registration

Registration in advance will not be required for this training. Instead, an Attendance Verification Form will be shared with participants via a link in the chat at the end of the session. We will alert you when this link is available and ask that you enter attendee information. Groups attending together will be able to clarify such through the completion of one form. After the training is over, anyone having issues with this process can email info@stephaniecoleadams.com to alert the office.
